

TUESDAY - FRIDAY | SEPTEMBER 6 - 9, 2022
AIX-EN-PROVENCE

6/9
Sep
2022

INTERNATIONAL CONFERENCES

TRAVELLING THROUGH TIME.

NEW PERSPECTIVES, METHODS AND
CHALLENGES FOR UNDERSTANDING LIVESTOCK
MOBILITY IN THE PAST

TUESDAY 06

- 13:30 - 14:30** Reception and welcome snack
- 14:30 - 15:15** Inaugural Communication PATHWAY Team
15:15 - 15:30 Discussion
- 15:30 - 15:50** Camelid herding traditions and mobility patterns during the Wari Empire expansion (north-central Peru).
W. Tomczyk, C. Ebert
15:50 - 16:00 Discussion
- 16:00 - 16:20** The introduction of European livestock in Nueva España and its adoption by the Indigenous people of Cuaurum, a 16th century village in Michoacán, Mexico.
A. Manin, C. Ramos Novelo, K. Lefèbvre
16:20 - 16:30 Discussion
- 16:30 - 16:50** Snack break
- 16:50 - 17:10** Pastoralism in North Africa : a Bird's-eye view on Tripolitania and the pre-desert in Prehistory and Antiquity.
K. Schörle, M. Hdad, G. Lucarini
- 17:10 - 17:30** Discussion générale

WEDNESDAY 07

- 08:30 - 09:00** Reception and welcome snack
- 09:00 - 09:20 Ancient proteins uncover past human-animal interactions on the Eurasian Steppe.
S. Wilkin, N. Boivin, A. Ventresca Miller, M. Erdene, B. Jamsranjav, J. Hendy, C. Warinner, C. Jeong, K. Wang, A. Outram, D. Anthony, E. Kitov, A. Khokhlov
- 09:20 - 09:30 *Discussion*
- 09:30 - 09:50** Landscapes of pastoralism: Dartmoor, transhumant routes and the shaping of the landscape
G. Domingo-Ribas, F. Carrer
- 09:50 - 10:00 *Discussion*
- 10:00 - 10:20** Bones, seeds, manure and isotopes: biological archives for understanding the Neolithic agropastoral system in the middle mountains.
L. Gourichon, M. Vuillien, C. Delhon, E. Herrscher, T. Blasco, M. Montanes, L. Martin, C. Lepère, J. Battentier, G. André, A. Carré, A. Mazuy
- 10:20 - 10:30 *Discussion*
- 10:30- 11:15** Snack and poster session
- 11:15 - 11:35** Animal mobility at Empúries from the Late Bronze Age to Late Antiquity: a complex picture from zooarchaeology and mobility isotopes.
S. Valenzuela-Lamas, A. Nieto-Espinet, D. Carlos Salazar-Garcia, A. Trentacoste, S. Guimarães, P. Castanyer, J. Tremoleda, M. Santos
- 11:35- 11:45 *Discussion*
- 11:45 - 12:05** From the huts to the villages. Access, sharing and routes in the western Pyrenees.
M. Le Couédic, C. Rendu
- 12:05- 12:15 *Discussion*
- 12:15 - 13:30** Lunch

WEDNESDAY 07

- 13:30 - 14:00** Presentation of the Exhibition "Transhumances de la Provence aux Alpes".
P. Fabre, C. Dallemagne
- 14:00 - 14:20** From Landscape Archaeology to Biomolecular Markers and to Socio-Economic Modeling: The Role of Cattle in the Bronze and Iron Age in the Lower Engadine (Swiss Alps).
P. Della Casa et alii.
- 14:20 - 14:30 Discussion
- 14:30 - 15:50** Investigating the mobility of caprine herds in a mountain environment (Swiss Alps) from the Neolithic to the late Iron Age: the contribution of sequential isotope analyses in teeth enamel.
J. Knockaert, P. Chiquet, N. Reynaud Savioz, A. W. G. Pike, K. Walsh
- 14:50 - 15:30** Closing discussion
- 14:50 - 15:30** Snack and departure

◆—————◆
POSTERS

A glimpse of sheep seasonal vertical mobility during the middle Iron Age in the northeastern Iberian Peninsula: the case of Tossal de Baltarga (Cerdanya, eastern Pyrenees).

C. Messana, C. Tornero, O. Olesti, L. Colominas

Sheep and goat breeding during the Iron Age in South-eastern France: comparative views of available archaeological, archaeozoological and textual data.

D. Isoardi, M. Vuillien

Modelling transhumant routes from Low Provence to the Alps. An application of GIS-based methods to understand ancient mobility and pastoral archaeological sites location.

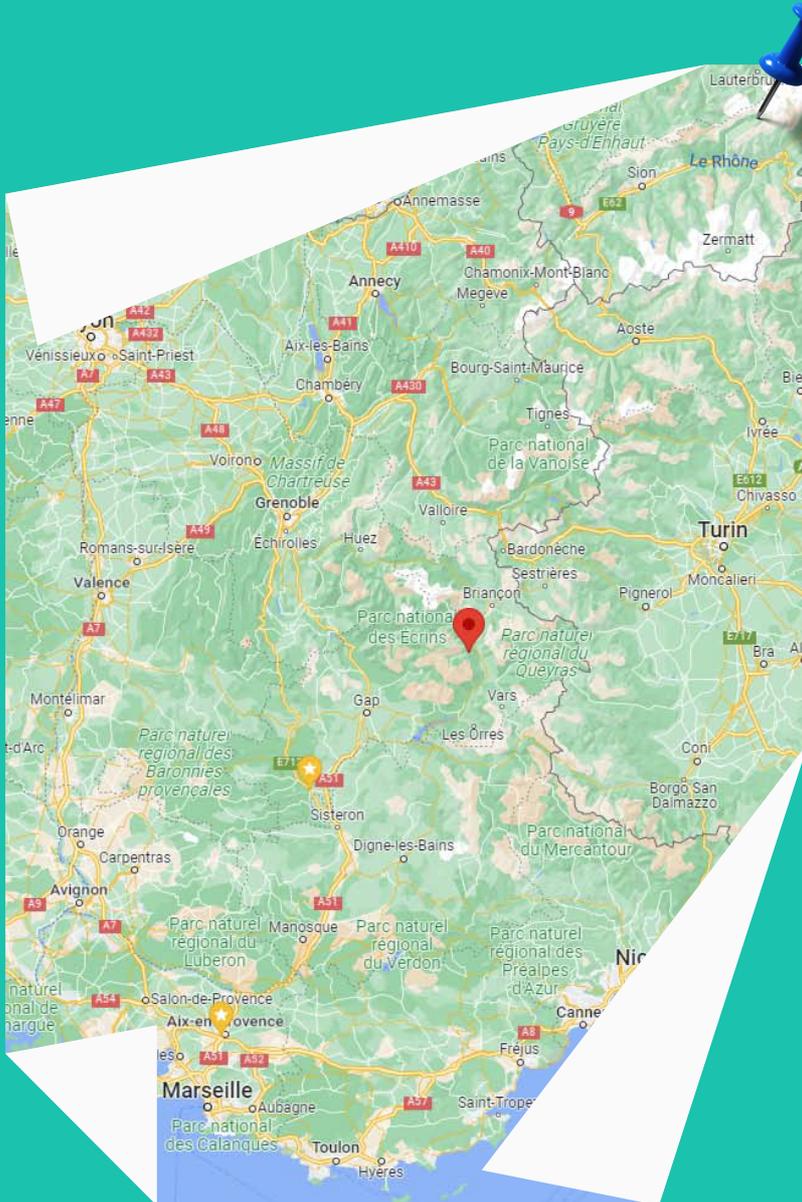

D. Garcia Casas, J. Battentier, F. Mocci

THURSDAY 08

FRIDAY 09

Excursion to the upper Freissinières Valley

- ▶ **Departure:** MMSH (Aix-en-Provence) by minibus around 16:00 on 7 September
- ▶ **Arrival:** around 18:30 Hôtel *** les 5 saisons* in Freissinières Shared room for 2 to 5 people (<https://www.les5saisons.com>)
- ▶ **Return :** By minibus on September 9th around 10:00-Arrival around 12:30, MMSH (Aix-en-Provence)

Please, bring hiking boots, a rain jacket, warm clothes and sun protection.

Scientific Committee
